Description:

The STANDARD range is characterised by its ease of use, as thousands of customers will testify. Thanks to its unobtrusive design, the dispenser will blend in with any environment.

- practical single-hand operation thanks to highly stable design
- comes with either serrated bar for paper and film or smooth bar for paper
- for paper and film rolls measuring from 30 to 75 cm in width and 22 cm in diameter, max. 20 kg
- spring-loaded tear-off bar for constant pressure and ease of separation
- steel-section frame available in light-grey RAL 7035 or chrome-plated versions
